Profile

Dedicated **Full Stack Developer** skilled in **React.js, Node.js, and Express.js**, with hands-on internship experience building real-world web features and REST APIs. Strong at writing clean, efficient code, debugging issues, and delivering responsive UI. Quick learner with solid problem-solving skills and a passion for building reliable, user-friendly applications.

Education

B.Tech in Information Technology

PSNA College of Engineering and Technology
11/2021 – 07/2025 | Dindigul, Tamil Nadu
Graduated with a B.Tech in Information Technology, with a final CGPA of 7.3.

Projects

E-Commerce Web App (Client Project)

Developed an online catalog with search, cart management, and admin controls to streamline the shop's product showcase. Collaborated directly with the client to gather requirements and delivered a clean, reliable platform that enhanced their online visibility.

E-Commerce Product Dashboard

Built an admin dashboard enabling quick product additions, updates, and deletions with real-time interface updates. Focused on efficient workflows, clean structure, and a smooth management experience across devices.

Portfolio Website

Designed and developed a personal portfolio highlighting skills, experience, and projects. Enhanced layout, content, and visuals based on reviewer feedback to create a polished professional presence.

Professional Experience

Full-Stack Developer Intern

Sri Max Company

06/2024 – 07/2024 | Sivakasi, Tamil Nadu

Developed responsive UI components with **React.js** and integrated **REST APIs** using Axios/Fetch. Built backend routes and middleware using **Node.js & Express.js**, and implemented **CRUD operations** for database workflows. Collaborated with the team through **daily stand-up calls**, prepared **Minutes of Meeting (MoM)**, and coordinated tasks in an Agile setup. Handled **client calls**, used **Git/GitHub** for version control, and debugged issues using Chrome DevTools and Postman. Received **positive feedback** from the company for communication, teamwork, and overall performance
